

NUBIAN SKI CLUB HOLIDAY TO STEAMBOAT (COLORADO, USA) & CANCÚN (MEXICO)

10 Nights: Sunday 3rd March to Wednesday 13th March 2019

7 Nights: Sunday 3rd March to Sunday 10th March 2019

Greetings Nubian Skiers

For our 2019 ski holiday, Nubian Ski Club is heading for Steamboat Springs, Colorado, in the beautiful Rocky Mountain Region in South West America and meeting up with thousands of African Americans from the National Brotherhood of Skiers, the largest Black American ski membership group in the USA. We then head south to the sizzling hot climate of Cancun, where the Caribbean Sea touches the coast of Mexico. Would you like to join us for some fun and frivolity? Hurry as places are limited.

WHY SHOULD I TRAVEL WITH NUBIAN SKI?

Now imagine that you're on an exhilarating adventure with your best friends and that you're having belly laughter the whole time. Well in fact, there's no need to imagine, just book to come on the trip with the Nubian Ski Club and this will be your reality. Plus it's a chance to make new friends and meet up with existing buddies, share stories, network and laugh together.

Steamboat Springs is made up of a 6 mountain peaks: Mount Werner, Sunshine Peak, Storm Peak, Thunderhead Peak, Pioneer Ridge and Christie Peak. If you're a skier or boarder, the champagne soft snow and the diversity of the terrain makes it ideal for all levels of ability from complete beginners through to advanced and off piste specialists.

Steamboat is located 6,900 feet (2,103 meters) above sea level and rises to more than 10,000 feet (3,220 meters). Affectionately known as Ski town USA; due to the high number of Ski Olympian champions raised there; Steamboat is also home to natural hot springs said to be therapeutic. Other winter sport activities include: night skiing, mountain biking, snowshoeing, hot air balloon rides, ice climbing.

Of course there are plenty of après ski activities to keep your interest such as Nubian Ski & NBS parties into the night, picnic on the slopes, roll straight off the slopes into a bar pumping music, plenty of happy hours, riveting debates, quiz nights. Enjoy great restaurants, outstanding shopping, explore local museums and get cozy with the local history or take a trip into Denver itself. It takes just 4 hours to transfer from Denver Airport to the resort and we'll be ready for all that Steamboat has to offer in no time at all.

MEXICO

Now after skiing or boarding to your heart's content, we'll head on out to the warm Caribbean coast of Cancún in Mexico, for the chill out zone. Once there, be ready for sun, sea, shopping, night clubs, partying, sightseeing, relaxation... the list is long.

HOLIDAY CHOICES

You can choose to travel with us on a Dual centre holiday, or you can choose to come on a ski only basis. Anyone can travel, whether you are completely new to skiing and snowboarding, are intermediate or advanced. In fact we think it's fair to say that each time we travel, approximately one third of members are new, never skied before in their life. One third are intermediate and the remaining are advanced. You also don't need to know anyone to travel with us, as you'll make friends throughout the year at our different Meet and Greet events.
